#### Reconsideration of Agenda Items - Bylaws (Article VIII)

The Board may reconsider or amend its actions through the following Motion for Reconsideration process:

- A. Before the Board reconsiders any matter, the Board must approve a Motion for Reconsideration. The Motion for Reconsideration must be approved by official action of the Board. After determining that an action should be reconsidered, the Board has the authority to re-hear, continue, or take action on the item that is the subject of reconsideration within any limitations that are stated in the Motion for Reconsideration.
- B. The Motion for Reconsideration must be brought, and the Board's approval of a Motion for Reconsideration must occur, either during the same meeting where the Board initially acted or during the Board's next regularly scheduled meeting or at a special meeting within these specified time frames to address a Motion for Reconsideration.
- C. A Motion for Reconsideration may be proposed only by a Member of the Board who previously voted on the prevailing side of the original action that was taken by the Board (the "Moving Board Member").
- D. The Moving Board Member may make the Motion for Reconsideration orally during the same meeting where the action that is the subject of reconsideration occurred, or by properly placing the Motion for Reconsideration on the agenda of a meeting that occurs within the allowed specified periods of time as stated above.
- E. In order to properly place the Motion for Reconsideration on the agenda of the subsequent meeting, the Moving Board Member shall submit a memorandum to the Executive Committee in advance of the deadline for posting notices for the meeting.
- F. A Motion for Reconsideration that is properly brought before the Board may be seconded by any Member of the Board.
- G. This reconsideration process shall be conducted at all times in accordance with the Brown Act.

#### Grievance Process – Bylaws (Article XI)

Any Grievance by a Stakeholder must be submitted in writing to the Board who shall place the matter on the agenda for the next regular Council meeting. At that meeting, the Board shall refer the matter to an Ad Hoc Grievance Panel comprised of three (3) Stakeholders randomly selected by the Board from a list of Stakeholders who have expressed an interest in serving from time-to-time on such a Panel. Within two (2) weeks of the Panel's selection, the Board shall coordinate a time and place for the Panel to meet with the person(s) submitting a Grievance to discuss ways in which the dispute may be resolved. Within two (2) weeks following such meeting, a Member of the Panel shall prepare a written report to be forwarded to the Board outlining the Panel's collective recommendations for resolving the Grievance. The Board may receive a copy of the Panel's report and recommendations prior to a Board meeting, but, in accordance with the Brown Act, the matter shall not be discussed among the Board Members until it is heard publicly at the next regular Council meeting.

This Grievance process is intended to address matters involving procedural disputes, such as the Board's failure to comply with Board Rules or these Bylaws. It is not intended to apply to Stakeholders who merely disagree with a position or action taken by the Board at one of its meetings, which Grievances may be aired publicly at Council meetings. The Neighborhood Council grievance review process will be conducted pursuant to any and all City ordinances, policies and procedures pertaining to Neighborhood Council grievances.

Directors are not permitted to file a Grievance against another Director or against the Council, except as permitted under the City's grievance policy.
